## 1) Until when is it possible to ask questions regarding the call? (23.05.2018)

**Answer:** Last opportunity for questions shall be **July 20<sup>th</sup>, 12.00 CET**. If they provide additional information, questions **relevant to all potential applicants and their answers** shall be published in this document on a regular basis.

## 2) Can foreign institutions apply for funding? (23.05.2018)

**Answer:** Universities, universities of applied sciences, further research organisations and the private sector based outside Switzerland are welcome to apply. They however have to do so in a consortium with at least one Swiss partner and work on research questions relevant for Switzerland. The Swiss partner has to provide a substantial contribution to the research work performed in the project and be listed as the main partner in the application.

## 3) Where do I find the template for the pre-proposal? (23.05.2018)
